MULTICO-online Now Integrates with AgencyPro

July 2, 2009

Seattle, WA - MULTICO Rating Systems Incorporated, provider of comparative raters and point-of-sale web portals for the insurance industry, has announced the connection to AgencyPro Agency Management System.

Agency Software, Inc. (ASI), established in 1988, has been a leader of property & casualty insurance software since its inception date. ASI has an existing insurance user group that exceeds 18,000 agencies and over 50,000 agents. ASI helps agencies actuate their PC's for the purpose of increasing overall penetration of personal and commercial lines markets.

The EasyApps product integrates with MULTICO-online comparative rater increasing efficiency throughout independent agencies. Customers have commented, "The bridge into EasyApps looks very good!"

AgencyPro adds to a long list of Agency Management Systems that integrate with MULTICO Rating Systems including Hawksoft, Ebix, Eclipse, AMS and more.

MULTICO is based in Seattle, WA and has been providing personal lines comparative rating and carrier based point-of-sale systems since 1986. MULTICO's product line includes the MULTICO-online comparative rater for independent agents and netPOSitive custom point-of-sale web portals.
