

## PEMCO REAL TIME RATES NOW AVAILABLE

### ***MULTICO customers can now quote PEMCO***

Seattle, WA - Insurance agents using the *MULTICO*-online premium comparison software now have access to PEMCO's rates within the state of Washington. PEMCO joins *MULTICO*'S extensive and expanding library of real-time carriers.

"PEMCO Insurance is the largest local insurance carrier in the state," said *MULTICO* president Charles Anderson. "We are pleased to be able to offer our independent agency customers access to accurate, real-time rates for this Northwest institution."

David Kopetzky, PEMCO E-Commerce Business Manager, stated that "With *MULTICO* on board, we've made yet another tool available to our community agents, enhancing their ease of doing business with PEMCO."

*PEMCO Insurance, established in 1949, is a Seattle-based provider of auto, home, boat, life, and umbrella insurance to Washington state residents. PEMCO Insurance is sold by community agents throughout the state and through PEMCO offices. For more information, visit [www.pemco.com](http://www.pemco.com).*

*MULTICO Rating Systems, headquartered in Seattle, Washington, has been a pioneer in the insurance software industry since 1986. MULTICO specializes in point of sale systems for insurance carriers and premium comparison and consumer access quoting systems for independent agents.*
